Why choosing **Fedhealth is the smart choice**

If you're looking for a trusted medical scheme that offers you greater customisation, innovation and affordability, you've come to the right place. Fedhealth has been providing South Africans with quality medical aid since 1936, and with reserves of R1,54 billion and a Global Credit Rating of AA- retained for 17 consecutive years, we are more than capable of paying our members' claims.

About flexiFED****

Our flagship flexi**FED** options are excellent hospital plans with some built-in day-to-day benefits – taking your unique life stage and family composition into account.

You've downloaded the flexi**FED** 1 option brochure. This option offers excellent cover for young, single people at the start of their careers with good screening benefits, and a preventative dentistry benefit once in Threshold.

Choose to **save money with our discount option**

Want to save some real money on your monthly contribution? We give you a way to do just that!

SAVE 25%

Elect - save 25%

To get 25% off your monthly contribution, you pay a R14 700 co-payment on all planned hospital procedures at any private hospital. This doesn't apply to emergencies.

Choose how to pay **for your day-to-day savings**

Use it as a **hospital plan only**

If you want to keep your contributions as low as possible while ensuring complete peace of mind should you be admitted to hospital, the flexiFED hospital plan is perfect for you.

What makes our hospital plans special?

Because unlike other hospital plans that only pay for hospital related expenses, our flexiFED plans go further by covering members for a range of day-to-day benefits as well. These include all our unique benefits and certain plans offer even more built in day-to-day benefits for things like optometry, maternity, childhood benefits and mental health... all at no additional cost to the member.
