## myFED

### Why choosing **Fedhealth is the smart choice**

If you're looking for a trusted medical scheme that offers you greater customisation, innovation and affordability, you've come to the right place. Fedhealth has been providing South Africans with quality medical aid since 1936, and with reserves of R1,2 billion and a Global Credit Rating of AA- retained for 18 consecutive years, we are more than capable of paying our members' claims.

### **About myFED**

Our myFED option is a salary-banded plan that's been especially designed to take care of the medical aid needs of lower-income corporate staff at a price they can afford.

You've downloaded the **myFED** option brochure. This option offers cover for lower-income corporate employees looking for affordable yet reliable medical aid with a screening benefit, a chronic disease benefit, an in-hospital benefit and day-to-day benefits paid from Risk.

## Contributions

Highest household income per month	Member	Adult Dependant	Child Dependant*
R1 - R10 730	R1 570	R1 570	R711
R10 731 - R15 147	R1 800	R1 800	R850
R15 148 - R21 000	R2 240	R2 240	R882
R21 000+	R3 700	R3 700	R1 170

\*Up to a maximum of three children

**Need more convincing?** Check out more of **myFED's great benefits.**

### Preventative and screening benefit

HIV tests, screenings like PSA, wellness and preventative screenings and flu vaccines.

### In-hospital benefit

Unlimited private network hospital cover.

### Chronic disease cover

Members are covered for conditions on the Chronic Disease List (CDL), covered in full up to the Medicine Price List if the member uses medicine on the basic formulary.

### Unlimited network GP visits

myFED members can see their GP as often as they need by using a nominated network GP.

## myFED plans provide:

Loads of additional value-added benefits like the myFED Baby Programme, oral and injectable contraceptives (acute formulary) and the Fedhealth Nurse Line.

**Finally,** you will enjoy this collection of unique benefits on myFED – you'll have to search far and wide to get similar value on another scheme!

Unlimited GP visits

Female contraceptives

7 days of take-home medicine up to R400

Child rates for financially dependent children up to the age of 27

Trauma treatment at a casualty ward
